WASHINGTON, D.C.,

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: The Deputy Administrator in his final report to me on the modification of said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The modification of said Code and the Code as modified are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as modified complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid modification on behalf of the industry as a whole.

(d) The modification and the Code as modified are not designed to and will not permit monopolies or monopolistic practices.

(e) The modification and the Code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

Said modification is accordingly approved.

Respectfully,

HUGH S. JOHNSON,
Administrator.

FEBRUARY 2, 1934.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE HOSIERY INDUSTRY

The Code of Fair Competition for the Hosiery Industry is hereby modified by the substitution of the following language in place of Section 7 of Article IV of the Code as approved by the President on August 26, 1933:

“Members of the Industry may operate their full-fashioned footing equipment either on a one-shift or a two-shift basis. If a member of the Industry operates on a one-shift basis, the length of such shift shall not exceed forty (40) hours in any one week, and if he operates such equipment on a two-shift basis, the length of each shift shall not exceed thirty-six (36) hours in any one week. In the latter event, the rates paid to knitters, kintting-helpers, and toppers working on such thirty-six (36) hour shifts shall be such as to provide them earnings equal to those which they would receive if they were working on a forty (40) hour shift.”

Approved Code No. 16—Amendment No. 1.
Registry No. 241-02.
